

Loggerhead Club and Marina

If you are taking your yacht to South Florida and it's under 100 feet, there is a new place to dock. The [Loggerhead Club & Marina](#) marina group has opened their latest marina, their South Lantana location. Loggerhead has nine Florida marinas with 2,500 slips that are open to the public. Amenities at the marina include 70 wet slips, a Harbor Master's Office with business services, fully stocked Ships Store, luxury restrooms with saunas, pool, clubhouse with social room and an exercise room. There is also a resource / referral center for all repairs and maintenance. Daily rates start at under \$3 per foot.
